Booking Terms & Conditions

These Terms & Conditions are designed to protect all parties by ensuring a clear understanding of the contractual and legal obligations of both the Client and The Country Park when confirming a booking. If you have any questions regarding any part of this document, please contact a member of our Events Team.

Definitions

"The Country Park", "Venue", "We", "Us"

Refers to The Country Park, the premises and management with whom the contract is agreed.

"Client", "You"

Refers to the organising body, company, wedding couple, or individual responsible for commissioning and paying for the event.

Bookings, Reservations & Guest Numbers

Provisional bookings will be held for seven days. After this period, the date may be released without notification.

A booking becomes a legally binding contract once these Terms & Conditions have been signed and minimum guest numbers have been agreed. The Country Park must be advised in writing of the estimated number of guests and the package required at the time of booking.

Final guest numbers and meal choices (where applicable) must be provided four weeks prior to the wedding date. If final numbers exceed those originally confirmed, or meal choices include items with supplements, these will form the new chargeable amount.

No refund will be offered if guest numbers at the final meeting or on the day fall below the agreed minimum set at the time of booking.

A full breakdown of additional costs can be provided upon request. No part of any package carries a monetary value. If you choose to opt out of an included service or element, no refund, deduction, or substitute will be offered.

Payments

To confirm your booking, a non-refundable and non-transferable deposit of £1000 is required, along with a completed copy of these Terms & Conditions.

Full payment for your wedding is due three months prior to the event date, excluding additions agreed at your final meeting. Recommended payment milestones are:

- 12 months prior: 25% of booking value
- 9 months prior: 50% of booking value
- 6 months prior: 75% of booking value
- 3 months prior: 100% of booking value

Outstanding payments at the three-month deadline may incur a late payment fee of 1% of the full amount per day.

All prices include VAT at the current rate and may be adjusted if VAT legislation changes.

Payments must be made by BACS transfer or cash. Credit card payments cannot be accepted.

Any overpayments made are non-refundable. Once the final balance is paid, the venue will not issue refunds or substitutes for any part of the package, including changes to final numbers or products.

Cancellation

Once The Country Park has accepted and confirmed your booking, a legally binding contract exists.

If you cancel your booking, the following charges apply in addition to the non-refundable deposit:

- Cancellation between 6–9 months prior to the event: 50% of booking value
- Cancellation between 3–6 months prior to the event: 75% of booking value
- Cancellation less than 3 months prior to the event: 100% of booking value

The Country Park reserves the right to cancel an event if the booking may prejudice the reputation of the venue, if the Client is in arrears with payments, if the Client fails to abide by these Terms & Conditions, or if the venue (or any part of it) is closed due to circumstances beyond our control.

In such cases, any advance deposit paid will be refunded. No further liability or compensation will be offered.

Photography

By booking your wedding at The Country Park, you agree that any photographs taken during your event or provided to us may be used for venue marketing.

Additional charges may apply if agreed timings are not adhered to. We strongly recommend that you obtain adequate insurance to cover cancellation and other liabilities.

The Country Park cannot accept responsibility for any verbal information given by staff that differs from your chosen package unless confirmed in writing by the General Manager, wedding co-ordinator, or company director.

Children

Children are welcome; however, the venue and its grounds contain potential hazards. The Country Park accepts no liability for accidents resulting from children playing. We respectfully ask that guardians supervise children at all times and ensure they remain within the designated wedding areas.

Catering

You must provide catering for all day guests. Guests must not consume food or drink on the premises that has not been supplied by The Country Park, except baby food or allergy-specific items approved by the venue in advance.

If you wish to offer additional menu choices beyond those included in your package, a surcharge will apply.

The venue will accommodate special dietary requirements where possible and reserves the right to pass on any additional costs incurred. All dietary requirements and final menu choices must be submitted in writing no later than one month before the wedding. Requests made on the day cannot be catered for.

A clear table plan must be provided in advance, indicating the location of all guests with dietary requirements.

While we monitor the presence of nuts in our products, we cannot guarantee that any food items are free from nut traces.

"The Country Park was the most magical venue for our special day. The staff made sure that everything was perfect from start to finish so that we didn't have to worry about anything. The grounds were spectacular and made the perfect setting for our wedding photographs. It was the perfect day."

Mr & Mrs Johnson

"We got married in 2022 and still to this day people talk about how amazing our day was. For anybody looking for a wedding venue, we can't recommend The Country Park enough. The team went above and beyond to make sure we had the most incredible day of our lives, and Charlotte ran it like clockwork! We had to rearrange our wedding 3 times due to covid and personal circumstances and Charlotte took care of everything, with us never having to worry about anything. We felt that we were in such amazing hands from start to finish and can't thank The Country Park enough."
